a friend to poor complexions

Resinol Soap is not only unusually cleansing and softening, but its reg-ular use helps nature give to the skin and hair that beauty of perfect health which it is impossible to imitate. Tendency to pimples is lessened, redness and roughness disappear, and in a very short time the complexion usually becomes clear, fresh and velvers.

The soothing, restoring influence that makes this possible is the Resinol which this soap contains and which physicians have prescribed for over twenty years, in Resinel Ointment, in the care of skin and scalp troubles. If the skie is in bad condition through neglect on unwise use of counstics, use a little Resinol Ontment at first. Resinol Scap and Ontment are sold by all down ists. For samples free, write to Dept. by R. Resinol, Ballimore, Md.
